DISTANCE: 56 miles

CRUISING TIME: 2 Hours

CROUISING SPEED: 30 Knots

## PROGRAM

---

### 9:30-10.00 Boarding

Boarding from the Vouliagmeni Marina to start our journey. You approach the northernmost point of Aegina and slow down to enjoy the beauties of the island. From this distance you can admire the pure colors of nature, the unique architecture and sunbathe.

### 11:00 Moni (Aigina)

We continue along the south side of the island reaching Monastery in less than 1 hour (19 miles). The island of Moni is "love at first sight". There are no residents, but only deer, wild goats and peacocks near you to feed them. The beaches are deep, clear water, suitable for exploring swimming and diving with drinks and snacks.

Stop for about 1 hour

### 12:00 Departure

We continue our beautiful journey west to Agistri, the Diamond of the Argosaronic, green with blue-green waters forming a small paradise on earth.

### 12:30 Aponissos (Agistri)

In less than half an hour (6 miles) we reach the east of the island and explore the deserted creeks for diving and diving in the turquoise waters of the island. We can arrange lunch with your friends in a unique traditional tavern in the area. You can sample local dishes as well as fresh fish, enjoying the quiet of the island.

Stop about 2 hours

### **14:45 Departure**

We continue exploring the island to the port of Agistri (Skala)

### **15:00 Skala-Agistri**

In less than half an hour (3 miles) we reach the port. Agistri is the smallest island in the Saronic Gulf. The combination of the dark green pine forest with the amazing shades of turquoise clear sea and blue sky is truly enchanting. Stop for coffee and walk the picturesque alleys or even the bathroom. Agistri is one of the few Greek islands that still retain their unique identity that is worth a visit.

Stop about 1.30 hours

### **16:30 Departure**

At this point we are reconstructed and boarded to visit the main port of Aegina.

### **17:00 Aigina**

In less than half an hour (5 miles) we stay in the central port of Aegina. The city of Aegina is built amphitheatrically towards the sea. When you enter the harbor, the small white church of Agios Nikolaos welcomes you and you will certainly be impressed by the modern classical buildings, which are located along the sea and have earthy shades that make them look even more beautiful at sunset. Finally, don't forget to buy the famous Aegina Peanuts.

Stop about 1.30 hours

### **18:30 Departure**

We re-boarded, to return to Vouliagmeni Marina for landing.

### **19:30 Vouliagmeni**

In less than 1 hour (23 miles) we reach our final destination. Enjoy the sunset over the Aegean Sea as we return to the Vouliagmeni marina and let the stunning view take you through the waves. An experience full of colors comes to an end with a farewell drink on board and landing in 30 minutes.

**An experience you will never forget!**
